Returned with Compliments.

The Auditors of the Mysore Municipality have their hands quite full and cannot be asked to do any more work without detriment to their legitimate duties. Preaudit of bills of this institution is not absolutely necessary. They need not be saddled with the work. If Government wish to include it among the institutions to be locally audited I have no objection to get the accounts locally audited by my local audit staff. and include the institution ~~among~~ in Othamanda the list of the institutions to be locally audited 7/8/29

As regards the bills of last year he proposes that the said Municipal auditors may be -- asked to audit the accounts from January to June 1929 during which time the major portion of the grant was spent.
